Caitlyn C, All Conference: *“Working with Coach Winfrey was the most beneficial thing I did in my basketball career. We worked closely on shot mechanics, ball handling, and on becoming a multifaceted threat on the court. He can break down a shot in great detail and help you rebuild it in such a way that you can self-coach and play with confidence.”*

Jason T, 2 time All Conference *“Coach Winfrey took me from being an average shooter to a great shooter. He focuses on the tiny details that make a huge impact on your shot ... if you trust everything Coach Winfrey tells you and put in the hard work, I guarantee that you will see incredible results down the road.”*
